## Peter's Pence Next Weekend

The Peter's Pence Collection unites us in solidarity with Pope Francis and his works of charity toward those in need. The Pope has spoken of our responsibility before the world and creation: *"There is much that we can do to benefit the poor, the needy, and those who suffer, and to favor justice, promote reconciliation, and build peace."*

Help our Holy Father support victims of war & natural disasters, and other in need of assistance and be a witness of charity in the world.

## Parenting Pointers Susan Vogt

Celebrate Pope Francis' encyclical, *Laudato Si*, by making a family decision to save energy.

Here are some ideas:

- Turn off the water when brushing teeth.
- Set your home's thermostat a few degrees lower (each one-degree change saves up to **5%** on heating and cooling costs!).
- Turn off lights and all electronics when you leave a room.
- Cooking? Use the microwave instead of the oven.
- Use machines like washers, dryers, and dishwashers after 8 pm.
- Open your blinds or curtains on sunny winter days to let the sun shine in.
- Save hot water with short showers instead of baths.
