## KNIGHTS OF COLUMBUS

In the early 1930s, the threat of atheistic communism was growing in Europe. In response, the Knights organized anti-communist rallies in early 1937. When Pope Pius XI's encyclical on the subject, *Divini Redemptoris*, was released in March of that year, the Order printed and distributed a million copies. The Knights also sponsored a new lecture tour and expanded its anti-communism program to include a Crusade for Social Justice.
