**ST. FRANCES XAVIER CABRINI 1850-1917**

Mother Cabrini is the patron saint of immigrants and the first U.S. citizen to be canonized. Born in Lombardy, Italy, Maria Francesca Cabrini desired to be a sister but was refused entrance into two religious communities due to her delicate health. In 1880, Bishop Domenico Galmini encouraged her to establish a new congregation. The Institute of the Missionary Sisters of the Sacred Heart won papal approval and grew rapidly. In 1889, Archbishop Michael Corrigan of New York invited Mother Cabrini and five of her sisters to his diocese, but when they arrived Corrigan rescinded his invitation and suggested that they return to Italy. The sisters remained and Cabrini established numerous hospitals, schools, orphanages, and convents throughout the United States, as well as foundations in Central and South America. Mother Cabrini was canonized in 1946. Her feast day is November 13.

**KNOWING YOUR FAITH**

***What do each of the Gospel writers  
seek to establish?***

**The Gospel according to Matthew** constantly seeks to bring out the majesty of Jesus as Messiah and Son of God.

**The Gospel according to Mark** desires to establish a close bond between the Passion of Jesus and His Lordship, showing that the Son of Man had to undergo the Cross before attaining His glory.

**The Gospel according to Luke** portrays Christianity as a faith or religion open to all human beings regardless of nation or culture. His depiction of Jesus shows the Savior's concern also for the poor, the needy, and the outcasts.

**The Gospel according to John** is more sublime, mystical, and theological. Some feel it is even more warm. He makes use of signs and reflective discourses to reveal Christ's present mission as Word, Way, Truth, Life, and Light. John's purpose is to inspire belief in Jesus as the Messiah, the Son of God. (Jn 20:31). *Knowing Your Faith, Rev. Raymond B. Fullam, S.J.*
