THANK YOU

A warm and heartfelt thank you to Father Golding and the community for the outpouring of love and support in remembering Rich Parsons. The family were overwhelmed by all those who sent condolences and came to pay their last respects.

MARRIAGE MOMENTS by Susan Vogt

Martin Luther King talked a lot about racial equality. What about equality in Marriage? Are both of you equally good at cooking, mechanical things, sewing, small talk? Probably not. Even though your spouse may have a natural talent for a particular task, try trading chores for a day, just for fun.

St. Anthony

St. Anthony of Egypt, also called St. Anthony the Great, was a religious hermit and one of the earliest Desert Fathers, considered the founder and father of organized Christian monasticism. His rule (book of observances) represented one of the first attempts to codify guidelines for monastic living. His feast day is January 17.

THANKS

The steeple at St Peter's Church was recently repaired by BH Decker Inc., Delhi, NY. Ben Decker and his crew heard of the church's need for assistance and reached out to offer help. The repair was completed utilizing a 45-ft lift. God bless Ben and the crew.

WORD OF LIFE

"There is such a wide spectrum of issues involving the protection of human life and the promotion of human dignity. Good people frequently disagree on which problems to address, which policies to adopt and how best to apply them. But for citizens and elected officials alike, the basic principle is simple: We must begin with a commitment never to intentionally kill, or collude in the killing, of any innocent human life, no matter how broken, unformed, disabled or desperate that life may seem. In other words, the choice of certain ways of acting is always and radically incompatible with the love of God and the dignity of the human person created in His image."
