KNIGHTS OF COLUMBUS

The American priest who founded the Knights of Columbus, the Roman Catholic fraternal organization, moved a step closer to sainthood when Pope Francis recognized a miracle attributed to him, the Vatican announced. According to the Knights of Columbus, the miracle involved a mother whose pregnancy was threatened by a medical condition in 2015. The family prayed to the Rev. Michael J. McGivney, the Knights of Columbus said, and the condition was healed. Pope Francis has now attributed this to Father McGivney, who died in 1890 at age 38. The step clears the way for Father McGivney to be beatified, or declared "blessed," by the pope — the second-to-last step before a figure is canonized as a saint in the Roman Catholic Church. An additional miracle must be accredited to Father McGivney before he is declared a saint. 607-267-8336

USCCB WORD OF LIFE

"God's love—individual, real, unchanging—is the true source of our worth, identity, and dignity. It really is not a question of who we are, but rather whose we are. Because his love will never change, nothing can reduce our God-given dignity, and nothing can diminish the immeasurable worth of our lives." Make-A-Will Sunday

Today we're encouraging our community to consider how we can intentionally steward the resources God has blessed us with. Having a legal will in place is a powerful way to steward your resources, protect your loved ones, and establish a legacy that supports the ministries you care about. Thanks to the Diocese of Albany's partnership with FreeWill, members of our community can take part in Make-A-Will Sunday with a free will-writing tool. Visit FreeWill.com/DioceseofAlbany to get started!
