USCCB WORD OF LIFE

"The Catholic Church has a long history of service to those who are most vulnerable and remains the largest private provider of social services in the United States. Through the sacrificial efforts of faithful Catholics, the Church serves millions through diocesan ministries and agencies, Catholic hospitals and healthcare systems, immigration clinics, shelters, and Catholic schools and parishes. …The Church consistently bears witness in word and deed to the beauty and dignity of every human life—including both mother and child." *USCCB Committee Chairmen, "Standing with Moms in Need"*

KNOWING YOUR FAITH

What does the 7th Precept of the Church's Apostolate request of all Catholics?

The Seventh Precept of the Church asks that a) all Catholics take part in the Church's missionary spirit and its various apostolate's, b) through prayer, the witness of a good Catholic life, and active practice of evangelization, thereby spreading the Catholic faith. The faithful of the Church should engage in spreading Christ's Church because we are commanded by our Lord to do so, both formerly and more recently again by the great Vatican Council II. *Knowing Your Faith, Rev. Raymond B. Fullham, S.J.*
