ROSARY CORNER

The Second Luminous Mystery: The Wedding Feast at Cana. This, the first of his signs, Jesus did at Cana in Galilee and manifested his glory; and his disciples believed in him.

SAINT PAUL VI, POPE

Born in 1897 near Brescia in northern Italy, Giovanni Battista Montini was the second of three sons. He was ordained in 1920 and joined the Vatican Secretariat of State in 1924.
In 1954, Fr. Montini was named archbishop of Milan, where he sought to win disaffected workers back to the Catholic Church.
In 1958, Montini was the first of 23 cardinals named by Pope John XXIII. Cardinal Montini helped in preparing Vatican II and participated enthusiastically in its first sessions. When he was elected pope in June 1963, he immediately decided to continue that Council, which had another three sessions before its conclusion on December 8, 1965.
In 1965, he instituted the World Synod of Bishops, and the next year decreed that bishops must offer their resignations on reaching age 75. He later decided that cardinals over 80 would no longer vote in papal conclaves or head the Holy See's major offices. He had increased the number of cardinals significantly, giving many countries their first cardinal and eventually establishing diplomatic relations between the Holy See and 40 countries.
Paul VI wrote seven encyclicals; his last one in 1968 on human life—Humanae Vitae—affirmed the Church's stance against artificial birth control.
Saint Paul VI died at Castel Gandolfo on August 6, 1978, and was buried in St. Peter's Basilica. He was beatified on October 19, 2014, and canonized on October 14, 2018. Since 2019 his liturgical feast has been celebrated on May 29. Pope Saint Paul VI, pray for us!
